

## Office of Recovery Services Processing Fee Increase

This fee has historically not been included in the list of fees approved by the Health and Human Services Subcommittee. The Analyst is recommending that this fee now be included with those fees approved by the Subcommittee.

<b>Department of Human Services Child Support Collections Processing Fee FY 2010</b>				
	<b><u>FY 2010 Fees</u></b>	<b><u>Change from FY 2009</u></b>	<b><u>Estim.# Transactions</u></b>	<b><u>Estimated 2010 Revenues</u></b>
Child Support Collections Processing Fee	\$5.00	\$0.00	500,000	\$2,500,000
<b>Total Estimated Revenues for FY 2010</b>				<b>\$2,500,000</b>

### **Recommendation:**

It is the recommendation of the Analyst that the fee change shown above be approved in keeping with action taken in House Bill 3.

**Note:** The Office of Recovery Services (ORS) receives some payments where the fee is less than the \$5 because the payment is less than \$10. In these instances, the fee is half of the payment amount. For example, if a payment is made of \$4, then the fee would be \$2. ORS estimates the impact of such instances could reduce the \$2,500,000 by up to \$40,000.
